Food

At Dukkah, the menu is divided into two parts: the all-day brunch menu with regular favorites. Additionally, you will also find the deli menu, featuring monthly rotating dishes from the display case. What else do we do?

In addition to enjoying lunch, coffee, or taking home a delicious takeaway meal, you can also host your drinks, party, or dinner with us in a partially or fully private setting. Our venue is available for (partial) rental for private events. Whether it's a relaxed gathering with bites and drinks, a high tea, an elaborate dinner arrangement, or something in between—everything is possible here. Prefer to have catering delivered to your home or office? That's an option too! We're happy to collaborate with you. Our kitchen offers options for everyone, including guests with allergies or dietary preferences, and we can accommodate different budgets. Together, we'll create a menu tailored to you and your (large) group.

Think, for example, of extensive grazing boards, a DIY pita table, or an "eat-the-rainbow" colorful dinner table featuring a variety of dishes.

Ask us about the possibilities.
